

Pastor Larry's Paragraph

Autumn! Fall, as we might say. Change is on its way. As the days grow shorter and tree leaves turn colors and begin to fall, we know that things will be different for several months. Why? LIGHT, or shortness of daylight.

In our society and the world around us, we are seeing a change that is not too pretty. DARKNESS! Seems that everyone wants (IT) to be about them and their desires. I heard a voice on the radio this morning say, "It is not about my color or about my desires, but how I represent JESUS." WOW, what a voice. If only WE CHRISTIANS stopped to think before we speak, how will this reflect JESUS in my life? Here are scriptures for you to read and consider: *Matthew 8:12, 1 John 1:5 & 7, Matthew 5:14 & 16

As we remain in Him (THE LIGHT) and allow Him (THE LIGHT) to shine in and through us, we grow closer to one another and point others to the Father. Here are two facts that I would like for you to carry to the WORLD:

- God Loves YOU
- Jesus Died for YOU

In conclusion, I am reminded of the old gospel song: "And I thank God for the light-house, I owe my life to Him, For Jesus if the Lighthouse, and from the rocks of sin; He has shone a light around me that I could clearly see, if it wasn't for the light-house, tell me, where would this ship be?"

Serving Together with Gladness,

Pastor Larry

The "Storehouse" Report

I am reminded of the story told of a man walking along the sea shore where thousands of starfish had washed up. He was picking them up and throwing them back one at a time, when someone asked him, "why? You can't possibly make a difference with so many washed up." His reply, "To this one I did." This reminds me, we are serving in our corner, one at a time and to that one I believe we are making a difference. We were "chosen" by the food bank to receive disaster relief food, preparing for hurricanes.

This was not ours to keep. I made calls to several churches, some responded and we sent out a lot of extra food. This will push our numbers up to over 1,000 families for the month of September.

Food Lion continues to support us every day.

Let's continue to pray for all affected by the devastations of the storms, Faith's project, Texas, Florida, Puerto Rico, and surrounding islands. Our prayers and support will make a difference! God calls us to be faithful! Let's honor him in all that we do!
