

Pastor Larry's Paragraph

Hebrews 10:25 ends with these words, "as you see the Day approaching." What is the Day? Since the word is capitalized, it is referring to the Day of The Lord, His Return. There is much talk and concern as we view the world situation and the many events occurring within the USA: wildfires, floods, "bomb cyclone" and hurricanes. Due to these events, our thoughts begin to turn to the thought of END TIMES. No one knows the time or the date of Christ's return but one thing we know for sure is that today we are closer than we have ever been. The message for all people...GET READY!!

The end time will be a time of judgment; therefore, we should assist and lead others to be prepared to meet their judge. Just as a trial lawyer prepares his client to be ready for court, we and others should be ready, prepared, and found busy at work with our Savior. With this thought, a couple of scriptures come to my mind: Matthew 6:33, Luke 9:23, Matthew 28:18-20. We all have a purpose and task to fulfill!

Now, as we enter the season of Thanksgiving, may we do so with grateful hearts, knowing HE has a plan and a purpose for each of us? Let us be thankful for all of our many blessings, especially the mercy and grace provided through the shed blood of Jesus Christ; our Lord and Savior. May each of us who are called by his name consider our duty and responsibility to help prepare others for the Day of The Lord? Our Father God, grant us the wisdom, power, and grace to meet the challenge of the days to come. In the name of Jesus, Amen.

Peace and Blessings.
Serving Together with Gladness,

Pastor Larry

The Storehouse Report

“And when he had spent everything, a severe famine arose in that country, and he began to be in need.”

Luke 15:14 ESV

This verse is from the story that Jesus Christ shared about the prodigal son. What strikes me about this specific verse is that it tells how the man has gotten into his predicament so succinctly. After he made several bad choices, something terrible happens to the land where he’s staying.

Definitely a double whammy.

That’s so common in today’s world; people live their lives close to the edge and then something comes along to knock them over into peril. It doesn’t matter how much was their fault and how much was caused by something else, they’re still in need.

After he has nothing, the young man in the story finds his loving father ready to make it better. The father calls on his servants to help restore the son with food and clothing and they all love on him.

I think about those in need around us. Our Heavenly Father calls on us to give food, clothing, and our love to those that He wants to restore. We aren’t to judge them or hold back anything, we are only called to help. God commands us to give with a cheerful heart and remember to be thankful because any of us could find ourselves in the same situation, no matter the reason.

Let’s continue to be thankful to God for our many blessings as we serve others during the upcoming holidays. Our storehouse/clothing ministry has had a steady increase over the past month, the need is all around us.

In His Service,
E. J. Boardley
