

# Pastor Larry's Paragraph

The apostle while exiled on the island of Patmos saw a vision and was commanded to write the things which he saw; the things which are now and the things to come. Therefore, in Revelation 2 and 3 he writes to the 7 churches of Asia with these expressed words, "He who has an ear, let him hear what the Spirit says to the churches."

Oh that we might learn from these words of God through John. Words of warning and preparation for days to come. Let us be ever aware of the words to "Be THE Church" as we find ourselves engaged in daily ministry. May we sound the warning of HIS coming as the signs are SO CLEAR and present? Why do so many fail to hear? Why do many not listen to the warnings; get out, leave, go? There are various possibilities WHY, but we the church must continue to sound the warning: JESUS IS COMING! Mark your calendars. Homecoming Weekend Revival October 12-14, 2018:

### The "Storehouse" Report

One week before Hurricane Florence came "roaring" through, I was asked to sign a form designating the Storehouse Ministry as an Emergency Relief Pantry in the event of an emergency situation. We were humbled to have been chosen and with no hesitation, signed. Little did I know what the next weeks would bring.

The Low Country Food Bank and donors have sent 4 trucks and another one will be sent next week. We will serve a record number of families this month. We have supplied food to the Horry County Police and 2 fire stations. Several loads have been sent out into communities.

These volunteers come without hesitation, driving their vehicles and their reports are so heartwarming!

We see neighbors helping neighbors.

My prayer is that "we will not walk past one who needs us."

Again, our volunteers are the best! Working hand in hand, it takes us all working together to make a difference. Continue to pray for each other because this storm has affected us all in one way or another.

Blessed to Serve,

*Doris C. Johnson*
